# Men's Retreat

Coming this September:

A great guys' getaway, where men will build camaraderie, experience spiritual refreshing and enjoy the great outdoors in the beautiful Pikes Peak region.

The retreat will include organized activities, as well as free time for you to enjoy as you choose.

By itself, great food prepared by the Ponderosa staff makes the retreat worth the trip! Lodging will be in cabins that are the perfect blend of wilderness solitude and modern comfort!

Our speaker, Rev. Bob Cook, has been described as "everyone's cheerleader"! He is a great encourager who will give fresh insight to scripture, helping men apply it to their daily lives.

*Bob Cook currently serves as a representative of Mercy Ships missions organization. He is a former superintendent of the Rocky Mountain Ministry Network, a pastor, educator and a great friend to Southwest Assembly of God, having served as a staff pastor with the church in the 1970s.*
